DEAR SIR AND PATRON:

Your favor of.....with order and remittance of.....  
is at hand and has our careful attention and for which we thank you, and will ship in due season.  
When no special directions are given for the route and manner of shipment we use our best  
judgment, considering the best interests of the patron at all times.

We grow a full line of Nursery Stock, Fruit Trees, Shade Trees, Shrubby and Small Fruit  
Plants, Roses, etc., and we make a specialty of peach trees and particularly of the SHIPPERS'  
LATE RED peach—the B. F. MASON PEACH of which B. F. Mason is the originator and Intro-  
ducer and this can not be obtained of any one else. This is the most remarkable and valuable of all  
varieties of peaches and the original tree is now on my grounds and is 20 years old, and has the  
most wonderful record for bearing, hardness and vigor of any peach tree in existence. The fruit  
is unequalled for size, beauty, color, flavor and shipping qualities.

If you have not seen the Booklet "Peaches and Peach Growing" it will be mailed to you  
on request.

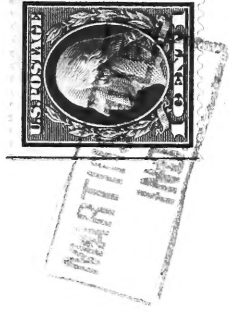

Yours for more and better peaches,

Martinsville Nurseries
